Nature has always served us but now its our responsibility to take care of our mother Earth. What makes our Earth unique is its atmosphere and plants comes first when we think of possibility of life here. When we deal with plants we deal with life and to make you more aware and responsible towards this life.

HIRAV - The Green Campus Society of Ram Lal Anand College organised an Online Quiz Competition on October 21,2022. The Google form was open from 6PM till 6:20PM.

The event was successful in its aspect of fulfilling the motive of creating environment related awareness.

It was a huge success receiving forms from more than 80 participation of which 37 were female participants who showcased their knowledge. Top 2 winners were given a pot with e-certificate as a token of appreciation. Our winners are Ruchika from B.sc (stats) 3rd year and Mihir agrawal from B.A PROG. 2nd year.
