Brief Summary of the Event:

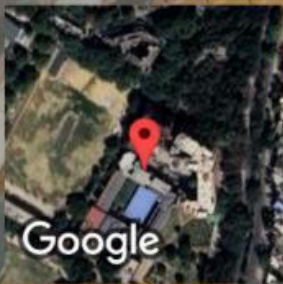

The Awareness drill was organised by Shuchita-The Cleanliness and Hygiene Society of Ram Lal Anand on 27th October,2023. The drive was held with the aim of promoting awareness about the importance of cleanliness and hygiene.

The event started at 12 p.m. in which the team members of the society along with the teachers went to all the classes including the labs so as to make the college students aware about cleanliness. The drive included a speech for the students to make them understand our motive. Moreover, the society members decided to impose a fine of Rs. 100 if any student is found littering in the college campus.

The student and the teacher members carried one banner each with quotes related to cleanliness written on them (both English and Hindi).
