Brief Summary of the Event:

Best out of waste Competition was organised by Shuchita-The Cleanliness and Hygiene Society of Ram Lal Anand College in collaboration with Ubiquitous on 13th April,2023. The competition was held with the aim of promoting awareness about the importance of cleanliness and hygiene using art.

The competition was a great platform for the students to showcase their creativity.

All the participants were supposed to make their models from the scratch at the time of competition itself. And they were supposed to present it by explaining the aim of the model.

The judges had a tough time deciding on the winners. However, after much deliberation, the winners were announced, and they were felicitated with prizes and certificates.

Evaluation Criteria:

- Usage of waste material
- Relevance of model in real life
- Presentation

The judges were to mark the team according to the above criteria on a scale of 1-5 where 5 stands for best and 1 for the worst.

Results:

The winners were:

1st Position:

- Prem Kumar (Motilal Nehru College)
- Shivangi Sharma (Mata Sundari Devi College for women)

2nd Position: Umrah Husain and team (Kamla Nehru College)

It was a successful event and was held smoothly.
