

## SHUCHITA

Shuchita, The Cleanliness, and Hygiene Society of Ram Lal Anand College, is a society that aims to maintain cleanliness and hygiene in the college premises and spread awareness about it. The society was formed on 6<sup>th</sup> September 2022. From the first meeting itself the society discussed the scope, nature and quality of work, expected by the principal.

The society has worked actively throughout the session to maintain cleanliness. They made sure there was no stagnant water in the campus, observed what was required to make washrooms more hygienic and made a WhatsApp group to coordinate with the college janitor staff.

Moreover, all the members of Shuchita have a badge, which gives them the authority to take necessary steps to maintain a clean campus. They visit canteen kitchen regularly to see if there is any violation of hygiene protocols there.

They have also put banners and posters all over the campus to spread awareness and show their presence.

Shuchita has conducted three events, which are:

### **1. Logo Making Competition:**

The logo Making Competition was conducted online on 29<sup>th</sup> September 2022. The participants were asked to either submit the logo in digital form or handmade. The main aim of conducting this event was to spread awareness about the ways one can keep their surrounding neat and clean. The winner of the competition was awarded a cash prize worth Rupees 1000. The logo made by the winner was decided as the logo of the society.

### **2. Awareness Drill:**

The Drill was conducted on 12<sup>th</sup> October 2022. The society members prepared slogans and recited them throughout the campus. They visited each classroom to spread awareness about cleanliness and hygiene. The society introduced a fine of 50 rupees for those who will be caught littering the campus. 15 members joined the event adding to its success.

### **3. Poster-Making Competition:**

The poster-making competition was held on 15<sup>th</sup> February 2023. The theme was "**Clean India, Green India**". The aim of the competition was to encourage participants to show what they perceive when they think about clean and green India. The participants were given two and a half hours to create their posters. The first prize was 1000 rupees cash and the second was 700 rupees cash. All the posters were very beautiful.
