International Webinar On How To Write A Statement Of Purpose

The Placement Cell in Collaboration with Si-Uk organized an International Webinar on How to Write a Statement of Purpose on August 17, 2020. The Statements of Purpose - or SOPs - are an essential component of the application as an aspiring graduate student. However, despite their importance and centrality to most applications, the vast majority of advice, techniques and templates for writing SOPs is not so perfect. So, the webinar aimed not only on what makes a great SOP in the eyes of the admissions committees, but also how to write one. Mr. MATTEO BECCARIA the speaker for the day was the International recruitment officer at University of Bristol, UK. The webinar was open for all the students across Delhi. The participants varied from a number of courses across all departments with the total strength of **60** participants.

Online session on career opportunities in data science

Data is fast becoming the world's most valuable commodity. Experts are terming data as the future oil and analytics as the engine. All over the world, organizations are focusing on methods to organize and harness the data for their strategic goals. Data Science is a unique confluence of Computer Science, Computational Mathematics, Statistics, and Management. The World Economic Forum's Future of Work Report 2020 predicts that by 2025, the job with the highest demand and growth will be that of a Data Scientist. Keeping in view the scope of Data Science the Placement Cell organized an online session on career opportunities in Data Science. The guest speaker was Mr. Bharat Kathuria Managing Consultant-Smart Cubes (UK). The event was held online on Google meet on 16th January 2021 from 3:30pm-4:30pm. The participants varied from a number of courses across all departments with the total strength of 125 participants.

Alumni Talk on Career in Actuarial Science

Actuarial Science is gaining a lot of popularity in India. It is a discipline that assesses the financial risks in the finance and insurance field, using mathematics and statistical methods. In India, the demand for Actuaries, people who practice or study actuarial science, is increasing by the day. Department of statistics and Pathways-THE PLACEMENT CELL conducted and Alumni Talk on Career in Actuarial Science by Ms. Yamini Goyal (2007-10) batch manager, Reliance Nippon Life Insurance Company conducted on Saturday 19th June, 2021 at 11:00am. The participants varied from a number of courses across different departments with the total strength of _75_ participants.

The poster is a vertical rectangular graphic with a dark green background and yellow accents. At the top, it features the logos of the University of Delhi and the Department of Statistics and Pathways. The text is centered and reads: 'DEPARTMENT OF STATISTICS AND PATHWAYS - THE CAREER COUNSELLING & PLACEMENT CELL', 'RAM LAL ANAND COLLEGE, DU', 'Presents', 'ALUMNI TALK ON CAREER IN ACTUARIAL SCIENCE'. Below this, it lists the speaker: 'SPEAKER: MS. YAMINI GOYAL, 2007-2010 BATCH, MANAGER, RELIANCE NIPPON LIFE INSURANCE COMPANY', accompanied by a circular portrait of Ms. Yamini Goyal. The date and time are given as 'DATE & TIME: SATURDAY, 19 JUNE 2021 AT 11:00 A.M.', with a small calendar icon. At the bottom, there are two illustrations: one of a meeting with a pie chart and another of a person climbing a bar chart with an upward arrow. The footer lists the roles and names: 'STUDENT COORDINATOR: Sneha Dahiya', 'SOCIETY CONVENER: Mr. Rajesh Sachdeva', 'CONVENER, CCPC: Dr. Seema Gupta', and 'PRINCIPAL: Dr. Rakesh K. Gupta'.
