

RAM LAL ANAND COLLEGE UNIVERSITY OF DELHI NATIONAL SERVICE SCHEME

Report on

Plastic Awareness

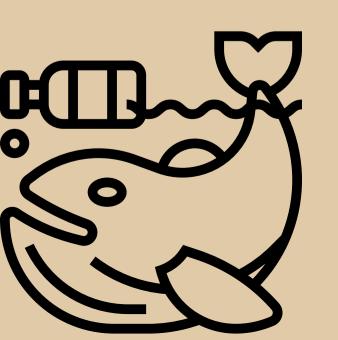

This is a litter-free zone

5th - 10th February 2023

Activity 1 -Handmade Poster Making

On first day of plastic awareness drive "05 February 2023". The NSS unit of Ram Lal Anand College has taken a commendable initiative by organizing an online poster making activity to raise awareness about plastic pollution.

This activity provides a platform for volunteers to showcase their artistic skills while spreading the message about the harmful effects of single-use plastics on the environment and human health.

The theme of the activity, plastic awareness, allows students to creatively express their thoughts on reducing the production and excessive use of single-use plastics.

Such events inspire and motivate people to adopt eco-friendly practices and make a positive impact on the environment.

It is heartening to see educational institutions like **Ram Lal Anand College** take the lead in promoting sustainable living and raising awareness about environmental issues.

After the successful online poster-making campaign, the unit organized a four-day "Plastic Awareness Drive" to further promote awareness and encourage action on reducing plastic waste.

Activity 2 -

Awareness Drive

"Plastic Awareness Drive" to further promote awareness and encourage action on reducing plastic waste.

Plastic Awareness Drive took place in following locations - South Campus Colleges and nearby areas

Basant Gaon

Satya Niketa

JJ Colony

Anand Niketan

The drives dates were 6th-10th February, 2023 from 3pm to 5pm.

Volunteers used attractive handmade posters to draw attention to the plastic awareness drive and educate people about the harmful impact of plastic on the environment.

The posters have been displayed in public areas such as parks, community centers, and shopping malls, where they were visible to a large number of people.

These posters have included eye-catching images and graphics, as well as clear and concise messaging that conveyed the key goals and objectives of the campaign.

200+ volunteers enthusiastically participated in the event, 101 being females. Slogans were recited,

people were enlightened and the drive turned to be a huge success.
