

Annual Report 2017-18

"A dream doesn't become reality through magic; it takes sweat, determination and hard work."

Under the able guidance of honorable Principal Dr. Rakesh Kumar Gupta, Convener Dr. Neena Mital, Enactus started its journey in October 2017 with 4 students, the team has now come a long way now with 50+ active members.

Project Vriddhi: Research Visits

The team participated in various competitions and bagged the second position in Ramjas College on the occasion of Fourth Annual Enactus Conference on 7th February, 2018 for the sustainable idea of project. The team was awarded smash coupons worth INR 3000.

When we look back with nostalgia, a smile strikes on each of our faces. Beginning its journey with project "VRIDDHI", the team made endless efforts to find a community which can be raised to better standards of living.

Team Enactus 2017-18

The team holds two projects hand in hand. One being the paper straws projects SAARANG and other being the paper pencils project- ROOPANTARAN which are both in its initial phase. Thriving to make these two project ideas turn into reality.

The core team for 2017-18 consisted of Ujwal Gupta (President & Founder), Akankshya Mohanty (Vice President), Riya Mehta (Technical Head), Atrijit Sen (Project Head)
