

Ram Lal Anand College
University of Delhi
Alumni Committee Annual Report
2023-24

With a mission to keep the alumni of the college connected with their Alma Mater and help the current students build strong bonds with their seniors, get advantage of their experience, expertise and knowledge, the Alumni Committee holds meetings with them. The college aims at helping the new generation of students to avail the benefit of developing contact with experienced, knowledgeable, talented seniors who have had more exposure and in turn can guide the current students and help them take on the world in a better manner.

The first alumni interaction was conducted in the Microbiology department on 11th September, 2023. Mr. Suresh Nath (2014-17 Batch) gave tips on how to make the most of the opportunities in college. 34 students attended the session.

On 13th February, 2024, Alumnus talk by Purva Arora (2016-19 Batch), a Chartered Accountant, was conducted by the Commerce Department. During the session engaging discussions and case studies, attendees gained a deeper understanding of industry best practices, ethical considerations, and strategies for career advancement were discussed. The session emphasized the importance of continuous learning and professional development in staying abreast of changes in regulations, technology, and market dynamics. Attendees were encouraged to cultivate skills such as critical thinking, problem-solving, and effective communication to excel

in their roles as trusted advisors in financial management. It was attended by 74 students and 12 faculty members.
